Full remodel, no layout changes: 6-8 weeks

Full remodel with layout / structural: 8-14 weeks

4. 5 costly mistakes to avoid

Skipping permits - can void insurance, hurt a future home sale

Ordering cabinets before field measuring

Hiring the cheapest bid without checking license

Ignoring electrical and ventilation until the end

Choosing finishes before confirming lead times

5. How to choose the right contractor

Ask for: license number, CSLB verification, recent references,
written scope of work, and a fixed-price contract.
